

TERMS AND CONDITOINS

Last updated: October 6, 2025

Welcome to sidewebz.be. By using this website or our services, you agree to the following terms.

1. Scope

These terms apply to all visits to the website and all agreements between Sidewebz and its clients.

2. Services

Sidewebz provides web development, maintenance, and related digital services. Service content and availability may be modified or expanded at any time.

3. Pricing and payment

All prices are communicated in advance. Payment is due according to agreed terms. Invoices must be paid within the stated period.

4. Liability

We provide our services with care and expertise but are not liable for indirect damages, data loss, or lost profits.

Use of the website is at your own risk.

5. Intellectual property

All designs, code, and content remain the property of Sidewebz unless otherwise agreed. Clients are granted only the right to use delivered products for their own purposes.

6. Force majeure

In circumstances beyond our control (such as technical failures or natural disasters), we may temporarily suspend our obligations.

7. Governing law

These terms are governed by Belgian law. Disputes are handled by the competent courts in the jurisdiction of our registered office.
